

This is
your
opportunity to join
the *jetset*

CJ1 Performance. Comfort. Technology. Reliability.

The first day it was announced, the CJ1 instantly became one of the hottest selling aircraft in history. It quickly outsold every other turbine aircraft in the business aviation fleet, every turboprop and every rival jet.

This is because, more than anything else, the CJ1 delivers true jet performance on a turboprop budget. In fact, the CJ1 is not only faster than a turboprop, but also easier and more affordable to operate.

And one is available that could be yours today.

Cessna Citation CJ1

Proudly offered for sale by Aeromil Pacific

2003 Cessna Citation CJ1 Serial Number 525-0521

This Cessna Citation CJ1 was a Cessna demonstration aircraft before delivery to Australia in 2004. The owner has upgraded to a new CJ3.

A six passenger interior features a forward side-facing seat opposite a deluxe refreshment centre, four seats in double club arrangement with folding tables with leather inserts.

The belted flushing toilet serves as the sixth seat. The right-hand pilot seat may also be available making provision for up to seven passengers as this aircraft is single-pilot capable.

The seats are finished in grey leather and the cabinetry is wood grain. The spacious external luggage compartment is fitted with the Ski Tube option.

This aircraft is on CESCO, ProParts spares and Power Advantage engine programs.

Call today for full specifications and description.
