Cessna Citation X

This demonstration aircraft is offered for sale

1997 Cessna Citation X Serial Number 750-0012

The Citation X is that fastest business jet ever built and nudges the sound barrier at Mach .92. All this power and with extraordinary comfort. The Citation X also uses less fuel than many slower jets, even on short range flights.

This aircraft has been completely refurbished to 2008 new aircraft standards including new exterior paint. The Citation X is the fastest civilian aircraft in the sky, cruising just shy of the sound barrier at Mach .92. It is fast and furiously efficient. With its Rolls Royce engines and remarkable aerodynamics, this exceptional performer is, in its category, among the most fuel-efficient business jets ever created.

It has eight passenger seats arranged in a double club configuration with four executive tables, LH forward closet with LCD video and RH forward refreshment centre with a convection oven. The aft lavatory has a vanity cabinet, an externally serviceable flushing toilet and an aft closet. Power outlets are located in the cockpit, lav and each cabin seat.

The interior is overall Crème/Beige coloured. The fire-blocked passenger seats are in Sand Brown Townsend leather. The headline is Crème leather and window reveals are Crème coloured Design Tex fabric. Sidewalls are in a Beige Sina fabric with the carpet in Kalogridis Mica cut pile. The cabinetry is Australian walnut high gloss wood veneer with Antique Bronze cabinetry.

- * Full Cessna ValuePlus Program
- * RR Corporate Care Engine Program

- * MSG3 Maintenance Program
- * Enrolled in ProParts

Aircraft type

Manufacturer	Cessna
Model	Citation X
Date of Manufacture	1997
Serial No	750-0012
Registration	N712VP

Engines

Type and model	RR AE3007C
RH engine total hours since new	8,951
LH engine total hours since new	6,018
Engine overhaul	6,000 hrs

Airframe

Total airframe hours since new	7,700
Total landings since new	4,681

APU

Total hours since new	7,571
